Mr Jenny agreed to explore alternative banking arrangements for the EOC account and report back to the next Board Meeting in autumn 2013. It was agreed that there should be two signatories on an internet based account. The idea of setting some spending limits was discussed and suggested amounts agreed. They were a single signature only limit of €100, joint signature limit of €500 and Board approval limit of €1000; anything above this would require the approval of the AGM. These proposals and the changed banking arrangements once agreed by the Board will be put to the AGM in 2014.

#### **11. Any Other Business.**

EOCCE 2015: Mr Hermans gave an update on the RHS hosting the EOCCE 2015 at short notice in place of Vienna. The RHS was supportive of the Conference which would coincide with the London Orchid Show using the two RHS halls with a lecture programme possibly in conjunction with partners. He pointed out that there were smaller lecture facilities now available at the RHS compared to EOCCE 2003. The RHS and the RHS Orchid Committee would be the main organisers. Mr Hermans was asked to formally request the €2000 EOC contribution to EOCCE 2015 before the 2014 AGM. The Board thanked Mr Hermans and the RHS for offering to host the EOCCE 2015 at short notice.
